## **DPA Announces New Industrial Supply Division**

(2013) The DPA Buying Group, a member-driven marketing & procurement organization, is forming a new industrial division. “Many of DPA’s distributors are already selling tools, fasteners and other industrial supplies, so this is a natural progression for our organization,” says Zachary T. Haines, DPA Executive Director.

DPA has already established divisions in the Janitorial, Safety, Packaging and Restoration markets, and now seeks to become one of the nation’s premier industrial tool groups. DPA Industrial members will have access to all of the group’s Janitorial, Safety, Packaging and Restoration programs.
